

# 16" Rolling Laptop Case

TBR003US

## Overview

The Targus Rolling Laptop Case is designed to protect laptops with up to 16" screens. The closed cell foam padding keeps your laptop protected while the durable/water resistant 1200D polyester material keeps belongings dry in wet weather. The front zip-down workstation includes pen loops, a business card holder, zippered pocket, cell phone pocket and large pouch to store additional accessories. The Metro Rolling laptop Case also includes a large zippered compartment to store office essentials or clothing for overnight trips. The telescoping handle retracts into a zippered compartment when not in use and the case includes a dual carry handle for added convenience. The Metro Rolling laptop Case is a functional transit case designed for professionals on the go.

## Features

- Designed to fit a range of laptops with screens up to 16" in size; including models with an extended battery.
- Extended compartment space for those who pack expecting the unexpected.
- On the road and on the go, rolling cases provide comfort those who need to keep everything at arms length. Combine with one of our trolley-strap equipped bags for the ultimate in versatility.
- Constructed of durable/water resistant 1200D polyester material
- Designed to fit laptops with up to 16 screens
- Zipdown workstation includes pen loops, business card holder, zippered pocket, cell phone pocket and large pouch to store additional accessories; large storage space for other office essentials or clothing for an overnight stay
